Dear Shri Kujur

As you may be aware, we are on the verge of declaring India Open Defecation Free (ODF) on 2nd October 2019, a befitting tribute to Mahatma Gandhi on his 150th birth anniversary. This serves as a strong testament to the massive people's movement for *swachhata* that has engulfed the country these last five years led by the Prime Minister himself.

2. In order to foster the collective spirit to sustain safe sanitation and reiterate our commitment towards solid and liquid waste management, the effective collection and disposal of plastic waste in particular, the Prime Minister has written individual letters to Sarpanches and Swachhagrahis to lead the jan andolan as part of Swachhata Hi Seva (SHS) 2019.

3. This year's SHS is focused on Plastic Waste Management as its main theme and is scheduled as per the following timeline -

11th Sep - 1st Oct	Awareness generation, swachhata shramdaan and preparations for plastic waste collection and disposal mechanism
2nd Oct	Nationwide shramdaan for plastic waste collection
3rd Oct - 27th Oct	Recycling and effective disposal of collected plastic waste

4. All letters are being dispatched by the Department of Drinking Water and Sanitation, Ministry of Jal Shakti, and will reach the District Collectors via email in the upcoming week. The District Collectors may personally ensure that each letter is printed and delivered to the intended recipients.

5. On 11th September, i.e. the first day of the SHS campaign, Sarpanches (or the Sarpanch equivalent in your State) should hold open meetings (Gram Sabhas) where the letters are read out and the community is mobilised towards the implementation of a successful SHS 2019.

6. I request that you may personally ensure that the exercise is undertaken in a timely manner and all District Collectors and senior officers from the State Government lead this campaign and participate in shramdaan activities, especially on the 2nd of October.

Regards,

Yours Sincerely

Parameswaran Iyer
