No. 876 /MD/SBMG/HRD/2021-14/2022

Nawa Raipur, Date 25/02/2022

To,

Ms. Sweta Patnaik,
WASH Specialist, UNICEF.
Raipur, Chhattisgarh.

Sub: Regarding extending contract of ODF -Sustainability Consultant to support SBM(G).

Dear Madam,

Rajya Swachh Bharat Mission (G) is implementing SBM (G) 2.0 to achieve ODF plus Chhattisgarh, during last 2 years of implementation we have been able to achieve some milestones with the support of our stakeholders. We are thankful for UNICEF for its technical support in implementation of SBM (G) 2.0. in form of consultant. Consultant supported by UNICEF has provided excellent technical support in preparing SOP, planning, monitoring, training & capacity building activities for ODF S and ODF Plus under SBM2.0. This also included coordination of UNICEF supplies, important assessment studies for quantification of rural waste, assessment of Community sanitary complexes, Gobardhan units etc. Rajya Swachh Bharat Mission (G) is keen to continue Consultant-S for providing his further support to SBM (G) 2.0.

It is requested to kindly extend continue support of Consultant ODF -S to Rajya Swachh Bharat Mission (G) and also faecal sludge management as well as plastic waste management are the key areas where we are expecting technical support from UNICEF in the form of Consultant.

With regards

(Satya Narayan Rathore)
Mission Director
Rajya Swachh Bharat Mission (G)
